## TO EXALT BEAUTY

IN GOD,  
IN NATURE,  
AND IN ART;  
TEACHING HOW TO LOVE THE BEST  
BUT TO KEEP THE HUMAN TOUCH;

## TO ADVANCE LEARNING

IN ALL LINES OF TRUTH  
WHEREVER THEY MAY LEAD.  
SHOWING HOW TO THINK  
RATHER THAN WHAT TO THINK,  
ASSISTING THE POWERS  
OF THE MIND  
IN THEIR SELF-DEVELOPMENT;

## TO FORWARD IDEAS AND IDEALS

IN OUR DEMOCRACY,  
INSPIRING RESPECT FOR OTHERS  
AS FOR OURSELVES,  
EVER PROMOTING FREEDOM  
WITH RESPONSIBILITY,

## TO BECOME A CENTER OF ORDER AND LIGHT

THAT KNOWLEDGE MAY LEAD  
TO UNDERSTANDING

# General Information

THE EDWARDSVILLE CAMPUS of Southern Illinois University has scheduled a summer quarter, June 15 to August 29 and an eight-week summer session, June 15 to August 7.

Students may enroll for classes in either the eight-week session, the summer quarter, or a combination of both in accordance with regular academic load policy.

The Edwardsville Campus offers courses leading toward associate's, bachelor's, and master's degrees in selected fields.

A variety of course offerings have been scheduled to meet the specific needs of (1) teachers in service, (2) freshmen—beginning and refresher courses, (3) upperclassmen—basic requirements, (4) graduate students, and (5) liberal arts graduates and individuals on temporary certificates desiring teacher certification.

Anyone interested in complete general information about the University should obtain a copy of the General Information issue of the *Southern Illinois University Bulletin*, available free from Central Publications, Southern Illinois University, Carbondale, Illinois 62903.

## ADMISSION

Application for admission to the summer session should be initiated with the Admissions Office on or before June 1 to permit all necessary processing work to be completed by the start of the session. A general admission requirement is the filing of a transcript of record covering all previous high school and college work. Transcripts should be mailed to the Admissions Office from the institution(s) attended and should reach the Admissions Office prior to June 8, 1964.

Complete information relative to admission of undergraduate students appears in the General Information issue of the *Southern Illinois University Bulletin*. Graduate students should refer to the Graduate School issue.

### *ITEMS APPLICABLE TO THE SUMMER ONLY*

An undergraduate student attending another institution who expects to graduate therefrom and who desires to attend Southern during the summer only will be admitted as an unclassified student on the basis of a letter of good standing from the registrar of the institution the student is attending. The letter of good standing should be sent directly to the Admissions Office in Edwardsville and must be received prior to registration. *The unclassified student's application should be submitted to the Admissions Office by June 1, 1964.* A high school senior who ranks in the lowest third (lower 60 percentiles for out-of-state students) of his graduating class who is permitted to enter (on scholastic probation) for the summer quarter must register for more than eight hours in order to continue in attendance during the fall quarter and must earn a C average or above during the summer quarter.

### *CURRENT STUDENTS, CARBONDALE CAMPUS*

A student attending the Carbondale Campus spring quarter who plans to attend the Edwardsville Campus during the 1964 summer session must initiate his registration process by contacting the Admissions Office at Edwardsville.

### *SOCIAL SECURITY NUMBER*

Effective with the 1964 summer session, a student seeking admission to the University will need to present a social security number for identification purposes. Any local social security office can provide assistance in obtaining a number or replacing a lost card. At Alton the social security office is in the Germania Savings Building, 543 East Broadway, and at East St. Louis the office is at 435 Missouri Avenue.

### *REQUIRED TESTS*

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in November, February, and April. Information and application blanks are normally available through the high school guidance director or principal,

or may be obtained by writing directly to: American College Testing Program, Box 168, Iowa City, Iowa.

A student who finds it impossible to take the A.C.T. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific scores, which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Composition Test, and Mathematics (Intermediate) Test. In order to have identical test data, a student who submits C.E.E.B. test data will be required to submit scores from the A.C.T. no later than one month after registration.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Program in Iowa City.) If the scores are on file at the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

## REGISTRATION

Students registering during May 4-15 will report to the Registrar's Office at the center they plan to attend to pick up authorization-to-register permits. On June 15, students registering at Alton will report to the Auditorium building to pick up authorization-to-register permits. Students registering at East St. Louis will report to the west (9th Street) door of the main building for authorization-to-register permits.

Students who know that they must miss more than three days of the eight-week session should not register, because it is difficult for students missing more than three days to complete the required work in time.

## ACADEMIC LOAD

The normal academic load for the eight-week session is 10 to 12 hours of credit. A student with special needs may, by permission of the chief academic adviser of the center or by the head of his division, take a maximum of 14 hours. A student on probation may not register for more than 10 hours. A student is considered a full-time student during the eight-week session if he carries 8 or more hours.

The normal student load for the summer quarter is 16 hours. Except by permission of the chief academic adviser of the center or by the head of his division, no student may enroll for more than 18 hours of credit per quarter. A student is considered a full-time student during the summer quarter if he carries 12 or more quarter hours.

## *FEES*

An Illinois undergraduate student taking more than 8 hours pays the following fees each quarter.

Tuition .....	\$42.00 *
Student Activity Fee .....	9.50
University Center Fee .....	5.00
Book Rental Fee (Undergraduates only) .....	5.00
	<hr/> \$61.50

\* Out-of-state students pay an additional \$50.00.

A student taking 8 hours or fewer pays half tuition and book rental fee, full university center fee, and has an option on paying the student activity fee. Once an option has been made at the time of registration as to whether or not to pay the activity fee, such option is irrevocable.

Other special fees or deposits as listed in the General Information bulletin will be assessed when applicable.

Students attending under state teacher-education, military, or general-assembly scholarships are required to pay the university center fee and the book rental fee. Veterans attending under Public Laws 16 and 894 are not required to pay any of the regular fees. Students attending under Public Law 550 are required to pay fees, both regular and special, and may not use military scholarships for waiving payment of any fees.

## *PROGRAM CHANGES*

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class. A student is officially registered only for those courses appearing on his registration cards. Any change therefrom can be made only after fees are paid and must be made through an official program change. A student is considered officially registered after he has cleared his payment of fees at the Bursar's Office.

A program change must be made in order to drop or add a course. A student may not drop a course merely by stopping attendance. If a student desires to drop a course during the second, third, or fourth week of a quarter, the change will be approved only when the reasons appear valid. If a student desires to drop a course after the fourth week, the change will be approved only under unusual conditions. In the last three weeks changes will be approved only in extreme emergencies.

A student desiring to make a program change must initiate his request at the Enrollment Center of the Registrar's Office (starting the sec-

ond week of the quarter an evening student may initiate his request at the General Office). He is required to present his fee receipt program card and must complete the following procedure. After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for payment. The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. *A student has not completed his program change until he presents it to the Enrollment Center.* No change is official until the preceding procedure is complete.

A program change day is listed in the registration calendar.

## WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Enrollment Center in the Registrar's Office to initiate official withdrawal action (starting the second week of the quarter an evening student may report to the General Office to initiate official withdrawal action). No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office by June 27, 1964. See the registration calendar for specific dates concerning withdrawal and refunding of fees.

## VETERANS' INFORMATION

The Edwardsville Campus is approved for veterans. Veterans eligible for benefits under the G.I. Bill should contact the University veterans' adviser during registration periods. Public Law 550 expires in 1965. War orphans should discuss Public Law 634 benefits with the veterans' adviser.

To be eligible for Public Law 550 benefits, the veteran must be fully admitted and enrolled as a regular classified student making satisfactory progress in a degree program.

### VETERANS' SIGN-UP PERIOD

Veterans eligible for benefits will sign a monthly attendance certification on the following dates at the Registrar's Office in Alton or East St. Louis.

<i>Period</i>	<i>Date</i>	<i>Time</i>
June 15 to June 30	June 30	9:00 A.M.—12 Noon, 1–4:30 P.M.
July 1 to July 31	July 31	9:00 A.M.—12 Noon, 1–4:30 P.M.
August 1 to August 6	August 6	9:00 A.M.—12 Noon, 1–4:30 P.M.
August 1 to August 29	August 28	9:00 A.M.—12 Noon, 1–4:30 P.M.

Checks for the summer session should not be expected before mid-September. Veterans who fail to sign on the specified date will probably experience delay in receiving the check for that period.

## STUDENT RESPONSIBILITY

Each student must assume responsibility for his progress by keeping an up-to-date record of the courses he has taken and by checking periodically with his adviser and the Registrar's Office. Responsibility for errors in program or in interpretation of regulations of the University rests entirely with the student.

## GRADUATION

Each student planning to graduate at the summer commencement must apply for graduation at the time of registration for summer classes. All applications for graduation must be received by June 22, 1964, by the Office of the Registrar.

## STUDENT EMPLOYMENT

Students interested in part-time employment on campus during the summer should make early application to the office of Student Employment, Southern Illinois University, Alton, Illinois, or East St. Louis, Illinois.

## WORKSHOPS

*National Science Foundation Mathematics Institute* July 6–August 21. Registration will be held on the first day of class. This seven-week institute for high school teachers has been planned specifically to meet the subject-matter needs of teachers who have been out of college for a number of years. Each teacher may take courses giving 10 hours of credit in mathematics that count toward the Master of Science in Education degree.

In addition to the regular activities of the institute, a series of lectures brings noted speakers from both Europe and the United States before the teachers attending. Other instructors will be Clellie C. Oursler, Eric A. Sturley, and Lloyd K. Williams of the mathematics faculty. Anyone interested in taking courses in the institute should contact Professor Robert N. Pendergrass, director of the institute.

*Workshop in Intergroup Relations* (Sociology 388-3) June 16–26, East St. Louis, Monday through Friday, 1:00–6:00 P.M. The course offers

theoretical and practical understanding of cultural, social, and psychological factors associated with intergroup tensions. Students concentrate their efforts on problem-solving activities related to their occupational, professional, or civic interests. Resource and consultative staff from the academic areas of education, psychology, sociology, and social work are utilized. The course should be particularly valuable for the staffs of health and welfare agencies and for community leaders. Dr. Elliott M. Rudwick will conduct the workshop.

*Oxford Summer Seminar and Travel* June 17–August 27. For four weeks the group from Southern Illinois University will study at Oxford, one of the world's oldest universities, founded in the 12th century. Lectures will cover many aspects of modern Britain: history, government, economic life, social services, the arts, and literature. The students will divide into four or five different seminars or discussion groups for studying particular aspects of modern British life.

Undergraduates may earn 6 hours for a third-level General Studies course in the social studies area and 3 hours for a third-level General Studies course in humanities in modern British literature. Graduate students may earn credit toward a major in the social sciences or English.

Nearly two weeks of travel before the group settles at Oxford will afford delights for those who look forward to seeing towns and countryside famed in history and literature. It will present a living picture of the modern Britain which the students will read and hear about in the academic part of their summer program. After completing its studies, the group is scheduled to cross to Amsterdam and then visit Berlin, Bavaria, Austria, Venice, Rome, Riviera, Switzerland, and Paris.

For further information, students should contact Professor James Ben-ziger, Department of English, and Professor Douglas L. Rennie, Department of Sociology, at Carbondale.

*Survey Course in Marriage Counseling* (Sociology 484-4) June 16–July 2, East St. Louis Center, Monday through Thursday, 6:00–10:00 P.M. This workshop consists of lectures, case discussions, and personal supervision of case analyses. Clinical hours or appointments for supervised case analyses will be arranged.

Persons enrolling should be actively engaged in counseling or preparing to do counseling as a part of their professional practice. An effort will be made to select representatives from various professions such as physicians, clergymen, educators, social workers, guidance personnel, and attorneys. Dr. Donald L. Taylor, professor of sociology, is director of the workshop.

*Dual Workshop in High School and Junior High School English* (English

486-4, 487-4) June 16-August 6, East St. Louis Center, Monday through Thursday, 10:00-12:00, 1:30-2:30 P.M.

The workshop for English teachers and upper-class English majors will focus on linguistic concepts and their application to classroom instructional problems.

Registrants will spend the first six weeks in study and in planning and the last two weeks in conferences on procedure. The daily program during the first six weeks will follow this pattern: A lecturer will discuss an aspect of the structure of current English during the first hour. In the second morning hour the participants will apply the lecture materials to a body of English prose. In the afternoon the participants and the workshop staff will join forces to devise instructional materials using the same concepts introduced during the morning. The final two weeks will be used for conferences by appointment.

The workshop will enable participants to (1) become more aware of the English language as a proper field of study in itself; (2) learn the basic methods and assumptions of language study as reflected in three different approaches to English grammar, syntax, and usage; (3) develop ways to apply this new knowledge to the specific needs of a given group of their own students; and (4) determine the kinds of linguistic projects that can be carried on effectively between the English faculty of Southern Illinois University and the English faculties of the participating schools.

Dr. Gordon R. Wood, assisted by Dr. Bryce Van Syoc, members of the English faculty, Humanities Division, will direct and staff the workshop.

# Schedule of Classes

## COURSE NUMBER AND HOURS

The column containing this information shows the number of the course first, followed by the number of hours of credit. Course numbers are three digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number. The number appearing after the hyphen denotes the hours of credit for the course. In some cases there may be more than one number following the course number such as 599-2 to 5. This represents a variable-hour course in which the student, in consultation with his adviser, decides the number of hours for which he is going to register.

The course numbering system is as follows:

- 000-099 Courses not properly falling in the following categories
- 100-199 For freshmen
- 200-299 For sophomores
- 300-399 For juniors and seniors
- 400-499 For seniors and graduate students
- 500-600 For graduate students only

## PREREQUISITES

Because of changes in course numbering, a student should determine prerequisites by consulting the Divisional Announcements bulletin.

## COURSES “TO BE ARRANGED”

Students registering for courses listed as “Arranged” should consult the instructor indicated, or the head of the division if no instructor is listed, to determine time and place of meeting.

EXPLANATION OF ENTRIES

The entry for each course is arranged as follows:

*First Line:* The course's identification number is followed by the number of quarter hours of credit and the descriptive title. A dotted line separates the title from the prerequisite, which appears at the right-hand end of the first line and sometimes continues to the second line. *Second Line:* Special registration information, explanations, or any other remarks about the course appear on the second line. Sometimes the second line is not used. *Section-Number Lines:* The first column lists the section numbers for classes offered at Alton; the second lists sections offered at East St. Louis. Following each section number are the time the class begins (between 7:00 A.M. and 4:20 P.M. for daytime classes) and the time it ends. Each evening class is indicated by the letter *E* prefixed to its section number. The days on which the class meets, the place where it meets, and the instructor's last name complete the entry.

## *Southern Illinois University Foundation*

The Southern Illinois University Foundation is a nonprofit corporation chartered by the state and authorized by the Board of Trustees to receive gifts for the benefit of the University, to buy and sell property, and otherwise to serve the University.

It respectfully asks alumni and other citizens of Southern Illinois to consider making gifts and bequests to benefit the University. Such gifts should be conveyed to the Foundation, with proper stipulation as to their uses. The Foundation, through its officers and members, will be glad to confer with intending donors regarding suitable clauses to insert in wills and suitable forms of gifts and memorials, including bequests by means of life insurance. Large or small gifts to the library will be appreciated; likewise, gifts for special equipment, buildings, endowment of professorships in particular subjects, gifts to student loan funds and scholarship funds, gifts for the use of foreign students, and endowments for particular sorts of research. Any gifts or bequests can be given suitable memorial names.

The staff members of the Foundation are

Mr. Kenneth R. Miller, *Executive Director*, Carbondale, Illinois

Mrs. Lois H. Nelson, *Secretary*, Carbondale, Illinois

Mr. Robert L. Gallegly, *Treasurer*, Carbondale, Illinois

Mr. C. Eugene Peebles, *Assistant Treasurer*, Edwardsville, Illinois

Mr. C. Richard Gruny, *Legal Counsel*, Carbondale, Illinois

Mr. Donald Leavitt, *Patent Counsel*, St. Louis, Missouri

Mr. Warren Stookey, *Field Representative*, Edwardsville, Illinois.
